

International Group

Company Overview

NTG International is a 25 years international company with Headquarters in Houston, TX. We provide: **Talent acquisition and recruiting, consulting, and engineering specialized services to multiple industries**, including O&G, Manufacturing, and Health Care.

In addition to our **US operations**, we have an international presence in **Mexico**, Caribbean Area (**Guyana**), and the Middle East (**UAE-Dubai**). We are structured to provide **Talent Acquisition/Direct Placement** services **worldwide**.

NTG Differentiators:

1. Access to top talent
2. Strong business ethics
3. Strict compliance with local laws and regulations
4. Obsessed for quality over quantity

Since 2010 NTG International has provided over 1,500 consultants and direct placements in 6 continents.
