MARK MALONE

VICE PRESIDENT

We are excited to announce that effective November 1st, Mark Malone has been named the Vice President of NTG Auburn. Mark's previous experience includes senior operations and management positions at Riley Permian, Gulfport Energy, and Chesapeake Energy, and has excelled at being one of NTG's senior asset/project managers and completions subject matter experts.

Mark's industry knowledge, reputation, and strategic insight will be invaluable as we work together to strengthen and expand NTG Auburn and our other entities. We are looking forward to seeing Mark leverage his expertise to tackle challenges, inspire innovation, and propel our team towards continued growth and success.

NTG AUBURN

NTG Auburn is part of NTG's solutions line of services. Auburn provides customized drilling, completion, facilities and plug & abandonment project management for both upstream and energy transition projects; we provide customized contract operations for upstream properties and commercial and technical advisory at our clients' request.
