NICHOLAS CLEVELAND

SENIOR PROJECT ENGINEER

DFW Office

Nicholas Cleveland joined our team in 2014 and has since become one of the cornerstones of our operations as a Senior Project Engineer, bringing over two decades of expertise in drilling, completions, and production. At NTG, Nick has led many drilling projects across prominent basins like the Permian, Eagle Ford, and Delaware while specializing in the designing and management of drilling programs. Before joining us, he served as an operations engineer for Jetta, managing drilling operations in the Permian Basin. Prior to that, he was a drilling engineer for Encore Acquisition Company overseeing complex projects in multiple basins including the Bakken and Powder River. Nic holds a BS degree in Engineering Technology from Texas A&M University.
